

Industrial Growth Platform, Inc.

## **IGPI establishes Hokkaido Office**

Tokyo, June 1, 2017 -- Industrial Growth Platform Inc. (IGPI) announced the opening of the Hokkaido Office as their first regional office in Japan. This office operates with the objective of providing support for corporations and business at various development stages, from foundation, growth to revitalization stages and further, to assist in resolving issues of Hokkaido's economy.

IGPI has worked on numerous corporate business revitalization and management reform projects ranging across various industries including finance, infrastructure, energy, manufacturing, tourism and services, in all regions of the country. In addition, via Michinori Group, IGPI is managing a community-oriented business in the Tohoku region to promote the revitalization of regional economies, including employment expansion and improvement in real wages.

With the establishment of the Hokkaido Office, IGPI intends to make use of its accumulated expertise and knowledge to contribute to the development of Hokkaido's economy and to solve issues unique to Hokkaido.
